SUBJECT.

Mozrai Contribution for the construction
Central ~~Tribal~~ - Institute, for Agriculture
at Mozrai

To the Moz. Circle
No 639 of 11-11 33.

Requesting him to place the amount of
Rs 1250-00 at the disposal of the Private

FINANCE
9 SEP
No.

W. No. 102-33

My dear Mirza,

In connection with the question of inviting Her Excellency the Countess of Willingdon to lay the foundation stone of the frontage of the Central Institute for Defectives and making a start with the work thereafter, I think you may perhaps be interested in some figures relating to the allotments made for this work. The total allotment sanctioned by Government out of the Annachattram Savings Fund and Nowl Krishnadas Charities Fund amounted to Rs.32,500, in addition to which the following grants were given under "26 Education".

1928-29	...	Rs 9,000
1929-30	...	12,000
✓1930-31	...	12,000
1931-32	...	4,000
		Rs.37,000

Out of the first sum Rs.12,500 has yet to be paid, while out of the second, the amount of Rs.12,000 allotted in 1930-31 was reappropriated. If we could get the benefit of these two sums, there would be sufficient money at least to put up the ground floor of the building.

Yours sincerely,

[signature]

3 It is ascertained in the Comptroller's Office and the Muppai Comm's Office that against the sum of Rs 32500 saved for the construction of the building, from the Chattram Saving Fund, a total sum of Rs 20000/- only has been drawn so far leaving a balance of Rs 12500 still to be utilised.

4 As regards the sum of Rs 12000 saved for the purpose from the funds of the Indemnity Debt during 1930-31 and reappropriated for some other purpose, information is not available here as to the purpose for which it was so appropriated. A draft D.O. to the D.P.I is put up as directed by the Secy.

B

As this point relates to the Education Branch it is for consideration whether this may be sent to the Education Branch for obtaining the information required from the D.P.I.

Submitted with reference to para 2 ante

D. O. No. 319

General and Revenue Secretariat 9th September xxx 1933.

Dated, Bangalore, .. 9 - 9. 1933

Mey 102-33-2

Dear Sir,

I am desired to state that the Private Secretary to His Highness has intimated that a sum of Rs.12,000 sanctioned towards the construction of the Central Institute for Defectives in Mysore from the provision under 26 Education during 1930-31, was reappropriated by the Education Department and that this amount is urgently required for pushing on the construction and to request to be informed as to the purpose for which this amount was reappropriated and whether it is possible to make this amount available for the construction of the building from the sanctioned budget estimates of the Education Department during the current year.

The favour of a very early reply is requested, the matter being treated as immediate.

Yours sincerely,

9.9.33

DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,
BANGALORE.

To

A.N.Raghavachar, Esq.,
Financial Secretary to Government,
Bangalore.

SIR

With reference to your D.O. letter No. 319 dated 9th September 1933 stating that the sum of Rs. 12,000/- sanctioned towards the construction of a building for the Central Institute for the Defectives at Mysore, - from the provision under "26 Education 11 buildings" during 1930-31, was intimated to have been reappropriated by the Education Department and requesting to be stated whether it is possible to make this amount available for the construction of the building from the grants sanctioned in the Education Department Budget during the current year, I have the honor to state as follows:-

The following items of work amounting to Rs. 1,08,855/- in connection with the construction of the building in question, were sanctioned for the amounts noted against each in Government Order No. D. 541-5/Edn. 49-29-1 dated 16th July 1929, the cost being met from (1) the Education Budget (2) Annachattram Savings Fund and (3) the savings of the Nowl Krishnadas Charities Fund:-

	Item of work	Amount of estimate.
1	For out-houses	Rs. 28,000
2	For providing Electric Lights	Rs. 3,200
3.	For providing Sanitary fittings	Rs. 4,855

4. For the acquisition of lands		Rs. 3,300
5. For the construction of the main building (Ground Floor)		Rs. 44,000
6. For the construction of the first floor		Rs. 25,500
	Total	Rs.108,855

It was also directed in the Government Order referred to above that only the out-houses and the work-shop etc., might be constructed in the first instance, the amount of expenditure being met from the following sources:-

(1) Rs. 12,000 fromthe Education Budget under "26 Education 11 buildings"

(2) Rs. 6,000 from the Nowl Krishnadas Charities Fund

(3) Rs. 7,500 from the Annachattram Savings Fund.

Subsequently, the construction of Warden's and Servants' quarters was also sanctioned for Rs. 8,500/- in Government Order No. E. 1965-8/Edn. 120-31-4 dated 20th November 1931.

Then the Executive Engineer, Special Division, Mysore, furnished for countersignature, a revised modified estimate amounting to - - - Rs. 35,892/- based on the actual outlay so far incurred on several - works, with his letter No. 177 dated 30th July 1932, stating that there was no likelihood of the main building being taken up for construction at a cost of about Rs. 70,000/- in the near future and that it was proposed to close the accounts of expenditure then incurred.

On further consultation he stated in his letter No. 431 dated 27th August 1932 (copy enclosed) that, out of the total outlay of Rs.35,892/- a sum of Rs. 20,620-7-9 was debited to the Education Budget, the balance being met from the contribution of Rs. 20,000/- received from Nowl Krishnadas Charities Fund and from the Annachattram SavingsFunds.

the out-lay of Rs. 7,717-9-9 incurred on this work was met as noted below:-

Rs. 4,728	7	0	from the available balance out of the ~~ex~~ contributions referred to above.
Rs. 2,989	2	9	from the Education Budget.
Rs. 7,717	2	9	

In addition to this, a further sum of Rs. 400/- required for providing Electric lights for the Warden's Quarters etc., was also met from the Education Budget. Thus altogether a total sum of - Rs. 24,009-10-6 has been paid by this Department towards the cost of this work. Hence a sum of Rs. 12,009-10-6 has been paid from the Education Budget over and above the grant of Rs. 12,000/- sanctioned during 1930-31 and the grant was not in any way reappropriated.

Further it might also be stated that owing to the restricted Budget grant, it is not possible to provide any more funds for this work in the current year's Education Budget, even though an ~~additional~~ additional grant is required for the purpose.

I have the honor to be,

Sir,

Your most obedient servant,

Director.

CS. 21/9.

Copy of letter No. 431 dated 27th August 1932 from the Executive Engineer, Special Division, Mysore to the Director of Public Instruction in Mysore, Bangalore.

--:oOo:--

Re: revised modified estimate for Rs.35,892 for constructing the outhouses,etc., of the Institute for Defectives in Mysore.

With reference to your letter No. B1. 542-28 of 32-33 dated 18th August 1932 requesting for certain information regarding the allocation of funds for the above work, I have the honor to state that the entire total outlay so far incurred on the work as per in question amounts to Rs 35,892/- only and this modified estimate is itself based on the actual outlay incurred. No more funds are required for this work and as there is no prospect of the main building work being taken up at present, it is proposed to close the accounts of the whole estimate with the outlay already incurred as stated above.

2. As regards the sources of funds for the outlay incurred, I have to state that besides the grants given from State Funds, Rs.20,000/- was placed at the disposal of this Division, Rs.5,000/ from Nowl Krishnadas Charity Fund and Rs.15,000/- out of the Anna Chatram savings Fund, the latter amount having been received from the Muzrai Commissioner in two instalments of Rs.7,500/- each in June 1930 and January 1931. Out of the total outlay viz. Rs.3589 Rs.20,620-7-9 was debited against State Fund and Rs.15,271-9-0. against the sum of Rs. 20,000/- being the contribution amount received as described above.

The Estimate amounting to Rs. 8,500/- for Warden's and servant Quarters sanctioned in Government Order No.E. 1965-8/Edn. 120-31-4 dated 20th November 1931 was quite independent of the estimate

sanctioned for Rs. 1,08,855 in G.O. No.D. 541-5/49-29-1 dated 16th July 1929. Outlay on this work was Rs. 7,717-9-9 during the last official year and of this amount, Rs. 4,728-7-0 was debited against Rs. 4,728-7-0 being the balance amount that was available out of the contribution amount of Rs. 20,000/- referred to in para 2 above and the remaining outlay was debited against the State grant of Rs.4,000/- allotted for the work as per Reappropriation sanctioned in G.O.No.E. 4945-47/Edn. 403-31-2 dated 19th June 1932.

As the estimate for Rs. 1,08,855 referred to above, is proposed to be closed with the outlay already incurred viz. Rs.35,892/- (i.e., amount of the modified estimate in question) and as no more funds are required for the work of outhouses, etc., it is requested that the modified estimate may kindly be countersigned and forwarded at an early date to the Superintending Engineer, Mysore circle, Mysore for obtaining the necessary approval to the same.

Dear Sir,

With reference to your D.O. letter C.300 dated the 8th September 1933 addressed to the Dewan in the matter of making available a total sum of Rs 24,500 for the construction of the frontage of the Central Institute for Defectives in Mysore, I am directed to state that the sum of Rs 12,500 already sanctioned from Muzrai Funds and which has not yet been drawn is available for the purpose, and that it will not be possible to spare any money from the current year's Education Budget. It is not clear how far this sum will go for constructing new blocks. In this connection, I am to invite reference to your D.O. letter No.236 dated 15th March 1933 wherein it is proposed to construct the frontage in two blocks, each costing from Rs 16,000 to 19,000, one block being taken up at a time and to request that the position in this respect may kindly be made clear.

Further action in the matter will be taken on hearing from you further.

Yours sincerely,

28/10/33

Sir Charles Todhunter, K.C.S.I., J.P.,
Private Secretary to H. H. the
Maharaja of Mysore.

In answer to your letter No.309 of the 20th instant, I write to say, as regards the construction of the frontage of the Central Institute for Defectives, that it is proposed to have the building made in two blocks linked together with an archway. I think that we may be able to proceed, soon after the foundation stone is laid, with one of the two blocks, meeting the expenditure on this account from the Rs 12,500 and such other money as we ~~could~~ can lay our hands on. It is hoped that by the time the next financial year commences, it will be possible to find funds for the other block and the archway.

Yours sincerely,

M. J.
